Memorandum

Greetings!

We'd like you to know that the University of Sheffield would gladly be honoured to become the home to such a friendly and important event, that is the MexSocUK Annual Football Tournament.

We'd like to extend our deepest wishes to every player out there, to form part in this great event, full of good stuff and friendly sportsmanship.

Our goals are to organize it, with the help of the MexSocUK, in the best possible way available, to maximize the fun output of it all; and above all, to guarantee to rock your socks out!

We have state-of-the-art football pitches and comfortable premises, we'd like to be the place to celebrate this tournament because we're in the forefront of geographical advantage, since we are in the core of Great Britain, thus allowing everyone else to join in a relatively non-expensive way.

In terms of costs, we're able to negotiate renting 3 pitches at an hourly rate of £50.0, which is a very competitive and non-expensive way to use the University's facilities.

Friendly and hospitable people in Sheffield, would enhance the whole experience by providing you a safe and comfortable stay in the City, with their more than 500,000 internationally diverse population.

Finally, to take part on a broader perspective of Sheffield, I'd like to share a video that pictures the best description of the city that I've come across with.

We hope you consider this carefully, and we expect you to vote for us. We're always up for a good old fun, in Sheffield!

Kind Regards,
